During our time together, we will connect in a safe space. Participants will get to experience a transformative journey of discovery, growth, and well-being as we set powerful personal intentions, find inner peace through a session of guided gentle stretch, and indulge in the healing power of a sound bath meditation. Our desire and reason for creating this "Vibe Tribe" is to Clear the Way for you to expand in a community that values trust, playfulness, fun, and laughter. We are excited to meet you and welcome you to our Vibe Tribe!
